WELCOME TO FAITH PRESCHOOL

Every child is a special gift from God. Therefore, our goal is to focus on the needs of each child. Our educational foundation rests on a Christ-centered and an age-appropriate learning environment.

Learning in these early years is a process--not a product. Your child's work will show his/her individuality.

We believe that children learn best through their own discoveries, active learning, experimenting, questioning, sharing, speaking and listening. It is our goal to provide such an atmosphere for your child's early education.

For the safety of your child we are a state licensed preschool.

ABOUT US
